The Klamath Water and Power Agency's (KWAPA) Ground Water Pumping Program and separate Land Idling Program are attached in PDF and DOC. form for your use.

Please be aware that applications for the **land idling program** are due in the KWAPA office no later than **3:00 p.m. on April 12, 2010**. When submitting idling applications please include a map and tax lot numbers of the areas intended to be idled signatures.

Applications for the **ground water pumping program** need to be physically brought into the KWAPA office. Each applicant will meet with the KWAPA staff to ensure correct documentation and mapping of well(s) and the land(s) intended to be irrigated by the groundwater.

PLEASE NOTE IMPORTANT UPDATES for Ground Water Pumping Program:

***OREGON/CALIFORNIA: KWAPA WILL pay for retroactive pumping (You DO NOT need a contract with KWAPA before you start pumping) as long as if it is on or after March 25th, 2010 and in accordance with Oregon well permit start dates.**

****Oregon pumpers: Before turning on pumps check the pumping start date on your well permit**

*****If you plan on turning on your well before you submit a pumping application with KWAPA please call the KWAPA office and report to us your water and power meters readings before pumping begins.**

******Both programs require the applicant's Employee Identification Number (EIN) or Social Security Number on the applications.**

If you have any further questions or concerns please call KWAPA at 541.850.2503. Please note that KWAPA has moved and is now located at 735 Commercial Street (upstairs in the in Winema Electric Building), Klamath Falls, OR, 97601

Thank you,
