The Public Comment Hearing is an opportunity for customers and members of the public to offer unsworn testimony to the Commissioners and Administrative Law Judge. This event is being noticed as a Public Meeting because at least two Commissioners are planning to attend. The event will begin with brief presentations from the Administrative Law Judge and Staff to explain the rate case process. Because the purpose of this hearing is to take comments from the public, PacifiCorp and the other parties to the proceeding will not make formal presentations and the Commissioners will not take questions. The Public Comment Hearing will be recorded and transcribed. The transcript will become part of the public comment record in the proceeding.

Spanish translation services are available for community convenience at no cost. For those needing translation services, log into the Zoom platform and select English or Spanish on the bottom of the page. Translation services are not available for the meeting phone-in option.
